Need a Storage Solution? If it doesn't say DEXION, then it's not!

DEXION successfully participated in one of the biggest event for Logistics, Materials and Transport, in Greece, through our official local partner PEBRO- Petroyannis Bros.

The "Supply Chain & Logistics 2017" Trade Fair was held under the auspices of the "Greek Ministry of Infrastructure, Transport and Networks" from 4th to 6th of November at METROPOLITAN EXPO- ATHENS.

DEXION Greek Team presented a wide range of products for flexible, changeable systems, dynamic or static, ideal for single or integrated solutions, always tailored and optimized for the intra logistic processes of our forward thinking, trendsetting customers.

The event was a big success for us, many visitors showed interest for our products thanks to high quality, wide range and competitive prices.

We would like to thank all customers visiting us at the show and our team members for the excellent work and fun during the event.
