**Originally founded in 1856, the name Constructor Group was adopted in 1996 following the merger of Electrolux Constructor with Kasten Høvik.**

Since then the company has grown in size and stature and has become a market leader by following a policy of acquisition and generic growth. Constructor Group is now based on five key brands [Constructor](#), [Bruynzeel](#), [Dexion](#), [Constructor Logistics](#) and [Kasten](#) plus [PSS](#) as a sixth in the UK. Each brand has been built up over decades and is now a market-leader in its own right.
