

History

Originally founded in 1856, the name Constructor Group was adopted in 1996 following the merger of Electrolux Constructor with Kasten Høvik.

Since then the company has grown in size and stature and has become a market leader by following a policy of acquisition and generic growth. Constructor Group is now based on five key brands [Constructor](#), [Bruynzeel](#), [Dexion](#), [Constructor Logistics](#) and [Kasten](#) plus [PSS](#) as a sixth in the UK. Each brand has been built up over decades and is now a market-leader in its own right.
