

Constructor

Constructor has a long history of being Scandinavia's leading company within storage, archive and logistics solutions. Manufacturing our own products in our own factories, gives us the full control throughout the development process from idea to complete installation.

Constructor is a full scale supplier of storage and logistics solutions for all market sectors:

- Archive Solutions
- Health Care Solutions
- Library Solutions
- Long Goods Handling
- Museum Solutions
- Office Storage Solutions
- Pallet Handling Solutions
- Retail Solutions
- Small Part Handling
- Special Product Solutions
- Storage and Work Areas
- Storage Machines and WMS

Strong local companies in the racking and shelving business established in the 1940's in Norway, Sweden and Denmark and was consolidated from the late 1980's under the Constructor brand. The original companies; Høvik Stål, Electrolux Constructor, Kasten, Krammer & Zeuten, ETH and MTH, has ensured keeping the best competence within Constructor.

The Scandinavian Head Office, central warehouse and R&D department is located in Gothenburg, Sweden.

Constructor is a part of the Constructor Group
